JERSEY DAY

Thursday Jan 21

Thank you to all parents for your on going support of the PAC, although the fundraising and events look different this year, we are focused on finding ideas that allow you to enjoy more time together as a family. We are excited to show you our "story walk" that we have been working on. Coming during Literacy week we have an outdoor story that will be around the outside of the school and park to share with your family while out together for a walk. Look for it starting January 25

Jenn Pyper, president@lynnfrippspac.com
