

February

Hello Families,

We have began our Storywalk in the community. The story begins by the front of the school near the kindergarten playground and follows around to the back of the school. We encourage you to go outside and walk the story with your family and even try it in the early evening with a flashlight. We felt this was a program we wanted to support and encourage families to learn and read together. We hope you enjoy the experience.

Valentines day is coming up and this year ONLY paper valentines will be allowed to be distributed. NO extras like pencils, erasers, candy or treats. will be allowed.

Jenn Pyper, president @lynnfrippspac.com
