WHILE ON SCHOOL GROUNDS

Happy January Families,

We have started a week late but excited to be returning. Our PAC has a Clothing Drive on January 14. It is simple, bring your clothing you no longer need in a garbage bag and we will donate on your behalf. We are paid by weight and will use the money to continue the programs we support at Lynn Fripps.

Hot lunch has paused as visitors in the building have been restricted and we have rescheduled the dates from January to later in the season. If you would prefer a credit to your account for the missed lunch please reach out to us.
